

Reveille

Presidential Newsletter No 3

Well! Almost half way through my year and it's been quite eventful so far. The two concerts both did well with a profit of £1375 for the Band Concert. We had hoped for more but never less the, one could say it was a success because Rotary and Radcliffe in particular was given very good press. The RNCM concert at Stand Church produced a profit of £645 which was outstanding. Many thanks to all the committee for both events.

We had a good Conference at Scarborough as usual it was the Radcliffe crazy gang in full flow. All strutting their stuff to the Searcher Band on the first night (it was quite an eye opener, enuff said).

Diary Dates.

6th. Dec. Old Folks Party at Radcliffe Civic Suite. (Lunch) Start Sleigh collections.

10th. Dec. Club Christmas Lunch and District Governor's Club visit.

15th Dec. Asda collection.

21st. Dec. Last night of Sleigh collections. Party at Fusiliers.

22nd. Dec. Asda collection.

24th. Dec. No Meeting.

31st. Dec. No Meeting.

Merry Christmas and a Happy New Year To All.

Our 74th Charter night was also a great success as commented by the visitors from Lincoln we had music and laughter good fellowship which included a truly mixed culture of friends there was Sikhs, Muslims a variety of beliefs all wrapped up with and Irish Comic enjoying each others company, if only the world could be like this.

At Charter it was great honour to present three of our members with the Paul Harris Award for their service to Rotary and the community. They were Gerry Faulkner, Michael Edwards and Peter J. Cooke. Between them they have 80 years service to the Rotary movement. Well done and congratulations.

What's next to look forward to? There is of course the Sleigh and the Asda collections and the President's Night on 1st March 2008 (more details later). By the time you get this Peter Sillett will have held his Whiskey Tasting Night (held on the 16th November) I am sure it will be a great success as always. Finally I must thank Tom Johnston for all his had work with Generator to the Liberian Project. Tommy sorted it from the purchasing to the transporting to the docks with a few computers thrown. Thank you Tom from me and the entire Club. Well, I have said enough so until next time, Merry Christmas and Happy New Year. Tony.
