Help Us To Help Others

Is it For You

What is Rotary?

Rotary International is a worldwide association of local clubs for people who care:

Rotary gives its members the opportunity to put something back into their community, in recognition of what that community has given to them.

Rotarians believe that regardless of the size of the problem, it is worth doing something rather than nothing at all.

- Have you been lucky in life?
- Want to give something back?
- Want to enjoy "Fun and Friendship" whilst doing so?

If you do care enough to help and are willing to devote time and energy then read on - this is for you!

Eradicating Polio is
one of Rotary's International campaigns.

Radcliffe Rotary

The Rotary Club of Radcliffe members are drawn from a wide cross section of the local community.

We meet weekly for a meal, to enjoy friendship and to discuss ways of serving others. Social, sporting and inter-club events take place throughout the year.

Locally, we offer service to our community, particularly to those who are disadvantaged, young and old alike and we promote and help many local community projects and charities.

Internationally, Rotary sponsors many worthwhile humanitarian projects and we in the Rotary Club of Radcliffe play a vital part.

This is the face of Rotary in Radcliffe with a Host of Golden Daffodils' that we have planted around the town

Is It Still For You?

Membership is open to people who not only care about the community locally, but also internationally.

- Do you have a place of work or residence in or near Radcliffe?
- Are you willing to put time and energy into having some fun and friendship whilst helping others?
- Are you still interested?
